Marshland birds at the Lake Havasu National Wildlife Refuge

Big Schuler, an acclaimed photographer known for his pioneering underwater photography, created a stunning series of images that capture the vibrant life beneath the waves, including those taken at John Pennekamp Coral Reef State Park, located a few miles off Key Largo. Schuler's work in this series is characterized by its breathtaking clarity and composition, revealing the intricate beauty of coral reefs and the diverse marine life that inhabits them. The photographs taken in John Pennekamp Coral Reef State Park are particularly notable for their vivid depiction of the underwater ecosystem.
